About me

I am Víctor Izquierdo Alegre and I have had a great passion for video games since forever. I love learning and improving my skills in this area, and I am eager to continue learning and growing in this field.

Interests

■ Unity

■ Video games

■ Coffee

Experiences

Unity Developer

November 2023 - December 2023

Mind Trips

Developed "Sector 77: La Resistencia" a mobile application using Vuforia for an escape room in Unity.

Internship

February 2023 - May 2023

Mind Trips

Developed "Sector 77" a mobile application for an escape room using Vuforia in Unity. More information at [▶](#).

Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

Education

Video Game Design and Development degree

2019 - 2023

Universitat Jaume I

Developed various solo projects such as:

- Gem Maker Tycoon - **Video** 📺
- Lambda Project V - **Video** 📺

And some group projects such as:

- Fountain of Memories - **Video** 📺

Personal projects

- Time-Tick Cemetery - **Video** 📺

Current activities

- Developing a **new project** focused on UI. (**Video** 📺)
- Enhancing my proficiency in Unity.
- Exploring various design patterns.
- Deepening my understanding of OOP principles.
