About me

I am Víctor Izquierdo Alegre and I have had a great passion for video games since forever. I love learning and improving my skills in this area, and I am eager to continue learning and growing in this field.

Experiences

Internship

February 2023 - May 2023

Mind Trips

Developed "Sector 77" a mobile application for an escape room in Unity. More information at [▶](#).

Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

Education

Video Game Design and Development degree

2019 - 2023

Universitat Jaume I

Developed various solo projects such as:

- Gem Maker Tycoon
- Lambda Project V

And some group projects such as:

- Fountain of Memories

Current activities

- Polishing my Final Degree Project: Gem Maker Tycoon.
