🔯 ----- About me

I am Víctor Izquierdo Alegre and I have had a great passion for video games since forever. I love learning and improving my skills in this area, and I am eager to continue learning and growing in this field.

- Unity
- Video games
- Coffee

Experiences

Internship

February 2023 - May 2023 - Mind Trips

Developed "Sector 77" a mobile application for an escape room in Unity. More information at \triangleright .

Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

(Education)

Video Game Design and Development degree

2019 - 2023 Universitat Jaume I

Developed various solo projects such as:

- · Gem Maker Tycoon
- · Lambda Project V

And some group projects such as:

· Fountain of Memories

Current activities

Polishing my Final Degree Project: Gem Maker Tycoon.
