About me

I am Víctor Izquierdo Alegre and I have had a great passion for video games since forever. I love learning and improving my skills in this area, and I am eager to continue learning and growing in this field.

Interests

- Unity
- Video games
- Coffee

Experiences

Unity Developer
November 2023 - December 2023
Mind Trips

Developed "Sector 77: La Resistencia" a mobile application using Vuforia for an escape room in Unity.

Internship
February 2023 - May 2023
Mind Trips

Developed "Sector 77" a mobile application for an escape room using Vuforia in Unity. More information at ▶.
Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

Education

Video Game Design and Development degree
2019 - 2023
Universitat Jaume I

Developed various solo projects such as:

- Gem Maker Tycoon **- Video**
- Lambda Project V **- Video**

And some group projects such as:

- Fountain of Memories **- Video**

Personal projects

- Time-Tick Cemetery **- Video**
- Desktop UI **- Video**

Current activities

- Developing a **new project** focused on UI. (**Video**)
- Enhancing my proficiency in Unity.
- Exploring various design patterns.
- Deepening my understanding of OOP principles.
