About me

I am Víctor Izquierdo Alegre and I have had a great passion for video games since forever. I love learning and improving my skills in this area, and I am eager to continue learning and growing in this field.

Interests

- Unity
- Video games
- Coffee

Experiences

Internship   **February 2023 - May 2023**
Mind Trips

Developed "Sector 77" a mobile application for an escape room in Unity. More information at ▶.
Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

Education

Video Game Design and Development degree   **2019 - 2023**
Universitat Jaume I

Developed various solo projects such as:

- **Gem Maker Tycoon** 🔗
- **Lambda Project V** 🔗

And some group projects such as:

- **Fountain of Memories** 🔗

Personal projects

- **Time-Tick Cemetery** 🔗

Current activities

- Enhancing my proficiency in Unity.
- Exploring various design patterns.
- Deepening my understanding of OOP principles.
